For anyone who has yet to receive their annual flu shot, the Florida Department of Health in Citrus County (DOH-Citrus) is providing another drive-thru flu clinic from 8 to 10 a.m. on Saturday, Dec. 12, at the Lecanto Health Department, 3700 W. Sovereign Path.

Flu shots will be available at no cost, while supplies last, to adults and children older than 6 months. Participants can receive the shots right from their cars.

Getting the flu shot each year is important, but reducing illness and hospitalization from flu is even more critical this year to protect health care workers and hospital systems who continue to care for people with COVID-19 and other illnesses.

Additionally, DOH-Citrus encourages the public to slow the spread of flu and COVID-19 by:

- Staying home if you're sick
- Covering coughs and sneezes
- Washing your hands frequently and thoroughly
- Wearing a face covering when around others or if social distancing isn't possible
